Our students are the driving force behind this event and appreciate your participation. Feel free to forward this to other appropriate individuals in your organization.

The Appalachian College of Pharmacy invites you to participate in our 2015 Professionalism Dinner. The dinner is being held in conjunction with the Career and Residency Showcase and Employer Interview Day. The dinner will take place on Thursday, October 29, 2015 at 6:00 p.m. in the College’s gymnasium.

The Professionalism Dinner provides students an opportunity to practice skills learned in the Communications and Professional Development course. These skills include making introductions, networking, and dining etiquette. The event is designed to be educational and enjoyable for all participants.

Your partnership and participation gives our students the opportunity to practice their professionalism and network in the professional world. Sponsoring a table for the 2015 Professionalism Dinner provides a unique networking venue for employers, recruiters, and pharmacy organizations to develop professional relationships with ACP students.
