APPENDIX A

APPE Advanced Community Final Evaluation (2015 - 2016)

General overview

Descriptive rubrics were developed to assist the preceptor in assessing the student on outcome expectations. The preceptor should read the criteria for each level of the rubric and assess the student with the corresponding rank according to how the student is progressing in achieving the competencies. The preceptor should rank the student on each section of the assessment to determine the mean score. ONLY grade any of the criteria that are applicable to the rotation. If not applicable, then grade as N/A. The overall mean score is used to establish the final grade.
