

## **Appalachian College of Pharmacy Transitional Care Fellowship**

Appalachian College of Pharmacy (ACP) invites applications for its Transitional Care Fellowship. The Fellowship is a full-time 12-month post-graduate training experience designed to prepare the pharmacist to practice collaboratively in transitional care services to promote positive clinical outcomes, prevent unnecessary hospital readmissions, and improve quality of life of patients served. The fellow will have academic engagement at the college, work collaboratively with ACP faculty, and help support academic success initiatives.

Preference will be given to candidates with experience in transitions of care and demonstrated excellence in pharmacy practice. Candidates must have an earned doctorate degree in pharmacy from a US accredited pharmacy school. Please submit a completed application, contact information for three references, and a letter of intent to Human Resources at [HR@acp.edu](mailto:HR@acp.edu):

The Appalachian College of Pharmacy is certified to operate in Virginia by the State Council for Higher Education of Virginia. The Appalachian College of Pharmacy maintains a drug-free workplace and is an Equal Opportunity Employer.
